PROFESSIONAL EXPERIENCE

Software Engineer – NAVER Corp

Oct 2020 – Present @ Vietnam

- Managed a team of 5 in development of V Live Bizcenter, the business admin site of V Live (<https://www.vlive.tv>) – one of the largest streaming services in South Korea
- Defined and delegated front-end tasks to team members, facilitated communication between stakeholders in development of new features
- Optimized React website performance, developed core reusable components
- Implemented data dashboards with Echarts, used by 1000+ channel admins to view performance statistics

Software Engineer – Polidea (Snowflake)

Sep 2018 – Oct 2020 @ Warsaw, Poland

- Developed several internal web applications with Gatsby & Next.js
- Implemented responsive interfaces for multiple screen sizes
- Reduced time to first contentful paint by 1.5s by optimizing font loading & image rendering
- Reduced Gatsby build time by 3x by improving queries fetching

Software Engineer Intern – Katalon

Jun 2018 – Sep 2018 @ Vietnam

- Developed an analytical web application for user activity data
- Designed & developed Java/Spring APIs serving data from PostgreSQL
- Integrated automation testing for UIs & APIs
- Optimized React stateful components to prevent multiple re-renders

OPEN-SOURCE CONTRIBUTION

Apache Beam

- Migrated the official Apache Beam website from Jekyll to Hugo. Configured multilingual support, tests, build scripts and documentation system (<https://github.com/apache/beam/pull/11554>)
- Revamped website by adding and updating various components (Quotes, Hero, Header, etc.) (<https://github.com/apache/beam/pull/13439>)

Strapi

- Contributed to documentation for customizing admin panel (<https://github.com/strapi/strapi/pull/3609>)

TECHNICAL SKILLS

Frontend

- JavaScript, React, Redux, Gatsby, Next, CSS-in-JS, SASS, Bootstrap, Storybook, HTML, CSS

Backend

- Node, Express, Strapi, Firebase, Docker, SQL, MongoDB, Java, Spring

EDUCATION

Vistula University

2016 – 2019 @ Warsaw, Poland

Bachelor of Engineering, Computer Science

GPA: 4.5 / 5.0

Award: Rector's scholarship for 1st ranked student
